- You analyse procurement markets in cooperation with Strategic Purchasing.
- You supervise the implementation of IP agreements and report directly to our customers and management.
- You will develop industrial participation/localization strategies to increase competitiveness
- You will maintain a network with international defence companies as well as within the Rheinmetall Group

### WHAT QUALIFICATIONS YOU SHOULD HAVE

- Degree in business administration or technical studies
- Very good knowledge in contract law
- Multiple years of professional experience in purchasing, sales, project management, etc.
- Experience with offset projects is desirable
- Business fluent English is a prerequisite
- Willingness to travel and intercultural competence
- Sure appearance and presentation to customers and government representatives
- High level of responsibility and initiative

At Rheinmetall, your strengths and experience are worth something. We also highly value diversity and equal opportunity. We look forward to receiving your application.

### WHO WE ARE

The Vehicle Systems Division, part of the Rheinmetall Group's Defence Sector, is one of the market's major, full-service providers. It covers logistical and tactical military vehicles – both wheeled and tracked – as well as combat vehicles and turret systems for armed forces the world over – from end to end and from a single source.

Rheinmetall Group is a listed stock corporation based in Düsseldorf, Germany. It is an integrated technology group with solid, internationally successful operations in the fields of security and mobility. The company's Automotive Sector occupies a leading position as an automotive supplier and is a reliable partner when it comes to developing and producing components for the drive systems of today and tomorrow. The Group's Defence Sector is a leading European systems supplier for defence technology and a trusted partner of the armed forces.
